	<i>leeks</i>
	<i>garlic</i>
	<i>steak</i>
	<i>coconuts</i>
	<i>ham</i>
	<i>watermelon</i>
	<i>yogurt</i>
	<i>pickles</i>

NOTE:

If there are fewer than 30 students in the class, remove unused lists. If you are using two colours, remove these extra lists from both sets. For example, for 28 students, remove card #14 and card #30. Also, remove the picture cards of the items on those lists. This will ensure that the cards all match up.
